EUROPEAN
COWORKINGS **EOI**
PROGRAMME 4TH EDITION

EUROPEAN COWORKINGS PROGRAMME

WHAT IS THE PROGRAMME ABOUT?

European Coworkings EOI is an international acceleration program aimed at entrepreneurs willing to make their business grow with brand new perspectives. Participants get a 2-month free training and personalized mentoring from European experts and benefit of a 5-week stay in an entrepreneurship centre in Europe and therefore gain a first-hand insight of the local entrepreneurial ecosystem.

The programme is co-funded by the European Social Fund under the Spanish National Operational Programme for Employment, Training and Education.

EOI has already launched **four editions of this programme** since 2016. **205 entrepreneurs** from all sectors and regions of Spain have been mentored in more than 34 European Hosting Centers that join the European Network of EOI mentors.

The programme structure includes an online mentoring phase and an in-country mentoring phase (40 hours along 5 weeks) at the European hosting centre. Mentoring and training expenses as well as travel expenses to Europe and accommodation during the in-situ phase are covered by the programme.

EUROPEAN COWORKINGS PROGRAMME

HOSTING CENTERS

For this 4th edition, 14 EU partners have joined the programme as hosting centres, welcoming our Spanish entrepreneurs and mentoring them for several weeks.

14 entrepreneurship / innovation centres in 14 EU countries:
