The Portuguese National Handicraft Fair is organized by the Municipality of Vila do Conde and by the Associação para Defesa do Artesanato e Património de Vila do Conde and this year promotes its **44th edition**.

It is our wish, in association with the European Union's proclamation of 2022 as the European Year of Youth, to dedicate this next edition to young artisans, which will take place from **July 23rd to August 7th**, giving them a central space in the fairground.

In this sense, we are opening applications for young European artisans, providing them with special conditions for participation.

The National Handicraft Fair takes place in a central garden of the city, with 11,000 m² and is structured in about 170 modules, where the artisans during the 16 days present their creations to an interested public and that has exceeded 250,000 visitors.
