Networking with local entrepreneurs	<p>Networking with the right people and encouraging new collaborations is main focus of our work and in order to accomplish this we do the following:</p> <ul style="list-style-type: none"> - Holding regular community events for our entrepreneurs that are mostly designed under specific themes (for example environment, fair trade, recycling) and usually motivating people to collaborate , undertaking team tasks - Making individual introductions. We act as the hosts and we are always matching the right professionals in order to support new businesses, new collaborations, new alliances - Organizing peer to peer consulting meetings for the specific needs between entrepreneurs 		
Networking with other local agents	<p>Impact Hub Athens is very connected with many important stakeholders in the city but also Nationally. Either through our events or at specially designed workshops and meetings we manage to connect professionals depending on their current status: eg. Seeking business model consulting, legal support, market research data etc. We do connect also : Academic Institutions, NGOs, Investment funding organizations or other Impact Hub representatives outside Greece (we are connected with 85+ Impact Hubs Globally)</p>		

<p>Integration Activities</p>	<p>Athens is a vibrant, multicultural city with people from diverse international backgrounds. With our events and programming we connect and consult people to develop their new ideas into scalable, high impact businesses, using the talent and skills of different but complimentary to each other, experts and professionals.</p> <p>Through our community building activities, networking events, cultural nights, breakfasts the entrepreneur will be able to emerge to the local reality and understand the norms, principles & structures. In addition, we host numerous events related to social entrepreneurship, entrepreneurship, technology, culture, innovation, and more, so that each entrepreneur can connect with key players in the field, understand the narrative, key challenges & opportunities our local market & culture have.</p>
